

Euro Marine Logistics NV (www.euro-marine.eu) is a young company specialized in the transport of cars and all rolling material by vessels in European waters.

The company is a collaboration between two world players in the maritime industry. With a team of 40 people we operate around 15 vessels from our office in Wemmel, Belgium.

Due to further expansion we are looking for another dynamic new colleague to strengthen our operational team.

Trade Operator

You will become part of the operational team and your work will consist of planning and guiding our vessels within Europe. You will work closely with agents and customers to guarantee a high quality service.

Your Profile:

- You are a driven, flexible person, willing to be a communicative team player
- You are analytical, you work punctually and you have a good understanding of organization
- You can adapt easily to fast changing environment
- You are fluent in English (written and spoken)
- You have good skills in Excel
- Your Bachelor diploma in Maritime sector and/or experience in port logistics or shipping industry is an advantage.

Our Offer:

- A challenging job in a dynamic environment with concrete responsibilities
- A position where you will constantly gain new experiences
- An unique opportunity to be introduced and trained into the maritime industry
- A correct salary package (company car is not available for this position)

Do you recognize yourself in this profile? Introduce yourself to us and send your CV and motivation letter in English to Marielle Metzger – marielle.metzger@euro-marine.eu
