

TRADE OPERATOR

Euro Marine Logistics NV (www.euro-marine.eu) is a leading maritime transport company for the automotive sector and other rolling material. With a team of 35 people we operate around 12 vessels through the European waters from our office in Wemmel, Belgium.

Due to position replacement, we are looking for a new colleague in our operational team.

Trade Operator

As a trade operator you will become part of EML's operational team, responsible in planning and guiding our vessels within Europe. You will communicate closely with port agents, vessel crew and customers to guarantee a high quality service.

Your Profile:

- You are a driven, flexible person, and a good communicative team player
- You are analytical, well organized and able to work punctually
- You can adapt easily to a fast changing environment
- You are fluent in English (written and spoken)
- You have good MS Office skills (Outlook, Excel, ...)
- You have a Bachelor degree, experience in the Maritime sector and/or logistics are an advantage.

Our Offer:

- A challenging job in a dynamic and international environment
- Concrete responsibilities within EML's operational team
- A unique opportunity to be introduced and trained into the maritime industry and logistics
- A correct salary package
