

## TRADE OPERATOR – MARINE AND OPERATIONS TEAM

**Euro Marine Logistics NV** ([www.euro-marine.eu](http://www.euro-marine.eu)) is a leading maritime transport company for the automotive sector and other rolling material. With a team of around 30 people we operate 5 vessels through the European waters from our office in Strombeek, Belgium. EML is a 100% subsidiary company of Mitsui OSK Lines and part of MOL ACE, being the Mitsui OSK Lines Auto Carrier Express, and is in the group responsible for the intra-European shipments. Annually EML carries or coordinates about 650'000 units through 45 different ports with worldwide sourcing.

We are looking to recruit a high-potential colleague within our Marine and Operations team.

### Your Duties and Responsibilities:

- Executing voyage plans made by Line Management
- Ordering labour through port agents
- Coordinating between vessel and shore side for smooth handling of the vessel with all stakeholders of the planned call
- Liaising with customers upon their requests (load list, cargo acceptance etc)
- Liaising with captains upon their requests (bunker request, EWF etc)
- Coordinating internally between departments, related to operations and vessel performance, such as line management, sales, procurement, bunker purchase, finance, etc
- Keeping booking system up to date; having responsibility over completeness of voyage input by whichever party (agent, Bizsupport, operations, etc)
- Following and understanding of voyage result
- Sanity checking port and bunker expenses
- Ad hoc other operational tasks, including sometimes phone calls outside office hours

### Your Profile:

- You are a driven, flexible person, and a good communicative team player
- You are analytical, well organized and able to work punctually
- You can adapt easily to a fast changing environment
- You are fluent in English (written and spoken)
- You have good MS Office skills (Outlook, Excel, ...)
- You have a Bachelor degree, experience in the Maritime sector and/or logistics are an advantage.

### Our Offer:

- A challenging job in a dynamic and international environment
- Concrete responsibilities within EML's Marine and Operations Team
- A unique opportunity to be introduced and trained into the maritime industry and logistics
- A correct salary package including health and group insurance and meal vouchers
- After an introductory period the option to work from home (max. 2 days a week)
